

**SEEING  
DOING  
EARNING  
LEARNING**

**THAT'S  
WHY I  
DO IT.**

Fraser joined us looking for a physical and intellectual challenge - and he came to the right place. With us, he's benefited from a combination of theoretical and practical learning. What's more, he's done it all as part of a great team - so he's felt supported along the way too. It really has been the best of all worlds.

Start your career with ExxonMobil. You'll need to have, or be expecting, 5 GCSEs at grade C or above, including maths, English language and a science subject. Come along to one of our open evenings on 25th & 26th January 2012. For details call 02380 896028 or text Esso2 to 60300.
